

Comparison of song lyrics

Original version

Final Song

MØ

[Verse]

Please, won't you wait?

Won't you stay?

At least until the sun goes down

When you're gone,

I lose faith

I lose my everything I have found

Heart strings,

violins

That's what I hear when you're by my side

Yeah,

that's what I hear when you're by my side

[Pre-Chorus]

But when you're gone

the music goes

I lose my rhythm,

lose my soul

So hear me out

Before you say the night is over

I want you to know that we gotta, gotta carry on

So don't let this be our final song
