White Horse

Laid Back

If you wanna ride
Don't ride the white horse
If you wanna ride
Don't ride the white horse

White horse
Don't ride the white horse
White horse
Don't ride the white horse

No, no, no!

If you wanna be rich
You've got to be a bitch
You've got to be a bitch
I said rich
Rich
You bitch

If you wanna ride
Ride the white pony

Ride
Ride the white pony
White pony
White pony
